檢視文章

The screenshot shows a review interface for a research article. At the top, there is a toolbar with buttons for 'Include', 'Maybe', 'Exclude', 'Reason', 'Label', 'Add Note', 'Highlights ON', and 'Upload PDF full-texts'. Below the toolbar, the article title is 'Randomized Controlled Trial to Increase Physical Activity Among Hispanic-American Middle School Students'. The main text of the abstract is visible, with the word 'randomized' highlighted in green. A callout box points to the 'Add Note' button, and another points to the highlighted word. The article text includes background information, methods, results, and conclusions. At the bottom, there are fields for 'Authors', 'Journal', 'Publication Types', and 'Topics'.
